

Battenheimer Hof

You will find a „little peace of tuscany in rinehessen“ in the idyllic Bodenheim, 8 km south of Mainz.

This spot is famous for its wine-festivals, old taverns and „Straußwirtschaften“ (seasonal wine inns).

Our carefully restored estate (1852) is centrally located near the train station. The country-house style hotel rooms are convenient and cozy. A rich breakfast buffet is served in the conservatory or on the kitchen-garden's terrace.

Enjoy out fresh home-style cooking in the basement vault with the feature fireplace or outside on the patio in the shadows of old chestnut trees.

International wines, draft beer and a large assortment of schnapps and brandies will lighten up your meal.

Enjoy the Finnish sauna in the old green house and relax in the calm of a day's end while watching the stars in the sky.

For private or business events we offer various function rooms for up to 150 guests whether you hold a wedding, birthday party, company event or a meeting.

Young children may use our playground. We also offer parking lots for cars and a storage room for bikes.

We are looking forward to your visit
