

**Lörzweiler is a small idyllic little village about 12 km south of Mainz.**

**Numerous hiking and biking trails allow to enjoy your business or holiday trip in our region.**

**In a small grocery store, the bakery, small taverns and „Straußwirtschaften “ (seasonal wine taverns) your personal refreshments will be served.**

**Mid-village in a typical „rhinehessen“ grange is our classy renovated timber framed house. Three bedrooms, including one in the attic, a bathroom and a generously equipped eat in kitchen (about 120 sqm) comfort 1-6 persons for a recreative time.**

**We also offer a canopied seating in front of the house for a small talk accompanied by a glass of wine during the warm days.**
